The screenshot displays the Presto App interface. On the left is a dark green sidebar menu with options: Home, Home Page, About Page, Blog Page, Promo Page, Event Page, Menu Page, Setting, and Log Out. The main content area is white and features a search bar with the text 'ADES'. Below the search bar is a table of menu items. The table has columns for Menu's Name, Price, Image, and Action. The items listed are: A & W (Price: 15,500.00), A Menthol 16 (Price: 26,000.00), Ades Botol (Price: 10,000.00), Aqua Gelas (Price: 1,500.00), Avocados (Price: 20,000.00), Bakmie Goreng (Price: 28,000.00), and Bakso Show (Price: 15,000.00). Each item has an 'Edit' button and a 'Del' button. At the bottom of the table, it says 'Showing 1 to 7 of 37 entries' and 'Previous123456Next'. An 'Edit Menu's' modal window is open in the center, showing fields for Menu's Name (Ades Botol), Category (Ice), Price (10000), and Image (Choose File). The modal also has a sidebar menu with options: Home, Home Page, About Page, Blog Page, Promo Page, Event Page, Menu Page, Setting, and Log Out. The bottom right corner of the app shows 'Presto Cloud Apps V2.31'.
