# Cart Order

Tampilan keren cart order

The image shows a user interface for a shopping cart. On the left, there's a sidebar with a user icon and two small product thumbnails. The main area has a header "Reebok UFC" with product details: Brand: Rebook, Price: Rp. 268,000, Stock: 165. Below this is a quantity selector (set to 1) and an "ADD TO CART" button. A descriptive text block explains Roboshop's features like modern UI, reporting, income, and stock management, along with its integration with WhatsApp and QR code payment. It encourages users to try the app. On the right, a "List Order" section displays the cart item with a thumbnail, name, price, quantity selector (set to 1), and a red "DELETE" button. The total grand total is shown as Rp.268,000. At the bottom are "CLEAR ORDER" and "CHECKOUT NOW" buttons.

# Data Produk

The web application interface for RoboShop shows the 'Products' section. The sidebar on the left lists 'Dashboard', 'Product', 'Inventori', 'Order list', 'Sold List', and 'Income Report'. The main area displays four cards: 'Brand' (orange background), 'Group' (pink background), 'Sub Group' (blue background), and 'Product' (light blue background). Each card has a title, a brief description, and a 'START NOW' button. A 'Need help?' button with the text 'Please check our docs' and a 'DOCUMENTATION' button are also present at the bottom.
